SKYNET EMPLOYEES SUPPORT TOYS FOR TOTS

Palm Harbor, FL: In conjunction with the holidays, Skynet employees chose the Pinellas County U.S. Marine Corps Toys For Tots organization as a way to give back to the local community. During the three week campaign, employees were encouraged to donate an unwrapped toy, with regular reminders sent out internally.

“It was great to see so many of our staff pitching in to help disadvantaged children, and we exceeded our goal in terms of the number of donations.” said Skynet CEO Martin Rokicki. “The holidays are really about kids and being able to bring a little happiness to kids makes us all happier.”

Skynet delivered the donations to the Pinellas County Toys For Tots program on December 18.

About Skynet Healthcare Technologies, Inc.: Headquartered in Tampa Bay, FL, Skynet Healthcare Technologies delivers smart technology solutions to the senior living market. Skynet provides emergency call, real time location system (RTLS), and technology partnership to enhance resident safety and provide better analytics for communities.
